"hand sanitizer care & safety"

a guide to pleasure:

shake well before use.

spray liberally on hands and rub them together until dry.

before using again:

keep out of heat & direct sunlight. keep away from moisture & humidity. store well after use to avoid air exposure. store in a place free of temperature fluctuations.

for your protection:

for external use only. avoid contact with eyes. discontinue use if irritation occurs. flammable, keep away from fire and flame.
