

“room mist care & safety”

a guide to pleasure:

spritz a few times within the room and allow the scent to diffuse so as to freshen up your space OR use it as a linen spray for clothes, pillows and bedsheets.

before your next session:

keep out of heat & direct sunlight.

avoid shaking your room mist bottle.

store away from moisture & humidity.

cap well after use to avoid air exposure.

store in a place free of temperature fluctuations.

for your protection:

avoid contact with eyes. test before spraying on fabrics. may not be suitable for leather. for external use only. keep out of reach of children. may produce an allergic reaction on skin. discontinue use if irritation occurs. flammable, keep away from fire & flame.
